LUXURY SKI CHALET

Chalet Frieda is part of a new chalet development, set back from the street and enjoying quiet, peaceful nights in its secluded location.

Location is everything and Chalet Frieda is only a 2 minute stroll to the Nasserein lift station with our ski hire shop, the children's ski school slopes and meeting points and small hub of local bars and restaurants. A further 5 -8 minutes and you are in the centre of the resort and close to the Gampen, Galzig and Rendal lift stations.

Designed to a modern Alpine theme, the style and facilities are timeless and blend well into the local surroundings. With bespoke finishing touches befitting of an intimate, boutique style chalet you can relax in your own luxurious home away from home.
