THE MOST DISCRETE AND PRIVATE CHALET IN THE ALPS

Nestled at the peak is this most discreet hidden gem of a chalet. Skyfall Penthouse offers an exclusive sanctuary within the historic hamlet of St. Christoph.

This luxurious penthouse offers the ultimate hideaway and complete privacy, masterfully blending traditional alpine charm with modern sophistication.

Spanning 2 floors, Skyfall Penthouse is seamlessly integrated into the surrounding mountainside, offering an immersive snow landscape experience.

A private lift from the ground floor grants access to this mountain retreat. Upon entry, guests are greeted by the penthouse's unique design, featuring visually stunning craftsmanship and century-old repurposed wood panelling.

THE ULTIMATE IN SKI IN/SKI OUT PRIVATE & EXCLUSIVE LUXURY

The living area beckons with a bright, stylish kitchen adorned with dark marble countertops and captivating private collection artwork. The dining area, with a solid wood table comfortably seats 10 guests for memorable dining experiences.

The living room, with its open fireplace and plush seating, offers a haven of warmth and tranquillity. Expansive windows frame panoramic views, transitioning the space from a sun-or snow drenched retreat to a cosy sanctuary as night falls.

A dedicated cinema room promises immersive entertainment for both the young and old.
