TRADITIONAL LUXURY SKI CHALET

The luxurious Chalet Montana in Courchevel 1850 not only benefits from a superb location right by the Bellecote piste but also a wealth of facilities that you would expect from any high-class chalet.

Boasting a traditional alpine exterior the chalets reclaimed timber and natural stone blend perfectly with the surrounding snow covered pine trees. This quintessential alpine charm continues once you step through the chalet front door where the ancient timbers, open fireplaces and thoughtful soft furnishings create a cosy, relaxing atmosphere.
