Close to slopes

Set on the sought-after Route de la Renarde, just moments from Méribel Centre, Chalet Montclair is a newly built alpine residence surrounded by forest and mountain views. Within easy reach of the slopes, the chalet offers a calm, private base in one of Méribel's most desirable settings.

Spanning 650m² across multiple levels, Montclair has been designed for both entertaining and retreat. A striking double-height living space forms the heart of the chalet, framed by expansive glazing and internal bridges that bring openness and light throughout the day. A fireplace and private après-ski bar anchor the lounge, which flows into a separate dining area, while terraces extend the living spaces outdoors.

THE EXPERIENCE

The Experience

Chalet Montclair is designed for modern alpine living, with generous shared spaces, quieter areas for privacy and flexible entertainment areas for both adults and younger guests. The double-height lounge forms the centre of the chalet, while the dining area, guest-facing kitchen, children's playroom and games room allow the property to adapt easily to different group dynamics.

After skiing, guests can unwind on the dedicated wellness level, complete with a 10-metre indoor swimming pool, hammam, sauna and massage treatment room. A heated ski room with boot dryers, garage and lift access across the chalet add ease to each day.

Guests are looked after by a dedicated chalet team, with private chef service, in-resort chauffeur, concierge support and daily hospitality arranged throughout the stay.
